CHECKLIST

I am attaching:

- This submission form.
- A cover letter briefly summarizing the main importance of the submitted work.
- The text of the manuscript saved as a Microsoft Word document, prepared according to the *Instructions to Authors*. This word document includes: all the required sections, correctly formatted references, figure legends, and all the tables mentioned in the manuscript (each table with a title).
- All figures mentioned in the manuscript, prepared according to the *Guidelines for Figure Submission*, saved as separate TIFF, JPEG, EPS or PDF files at the size at which they will be published, with a resolution of 300 dpi/inch.

NOTE: *Files may be sent attached to one e-mail, or to several separate e-mails if necessary. However, all parts should be sent from the same e-mail address.*

STATEMENT OF CONSENT

I, [REDACTED] corresponding author for the above manuscript, agree to be responsible on behalf of all the authors for the submission.

I attest that:

- All authors have seen and approved the final version of the manuscript.
- The manuscript is not currently under consideration for publication by another journal.
- Research was carried out on humans with their consent following international and national regulations.
- Research was carried out on experimental animals following internationally recognized guidelines on animal welfare, as well as local and national regulations.

I agree that:

- Once the manuscript is published, legal ownership of all published parts of the paper will pass from the Author(s) to the journal.
- Following acceptance and once proofs have been provided, the Author(s) are bound to continue with publication, and will honor all associated publication fees as detailed at acceptance.

Thank you for your submission.

An e-mail confirming receipt of the submission will be sent shortly, including a temporary E-sub number.

For any queries regarding the submission (before it has been assigned to an editor and given a permanent manuscript number), **please refer to this E-sub number.**

If you do not receive e-mail confirmation of receipt (sent to the submitting author) within 5 working days of sending, your submission has not been received. Please send an e-mail of inquiry without any attachments, specifying the date of submission and the e-mail address from which the submission was sent.

If we request changes to a specific part of the submission, please re-send the entire submission, including this form and all attachments, and refer to the E-sub number in the accompanying e-mail.
