Therapeutic effect of vascular interventional therapy and aspirin combined with defibrase on cerebral ischemia in rats

BAOSHAN LI, SHOUKE GENG and YUANLI DA

Exp Ther Med 16: 891-895, 2018; DOI: 10.3892/etm.2018.6271

Subsequently to the publication of the above article, the authors have realized that the address for the second-listed author, Shouke Geng, was printed incorrectly (both the name of the work institute and the zip code). Specifically, the work institute should have been featured as 'Department of Neurosurgery, The Third People's Hospital of Pingdu City' and the zip code should have been presented as '266753'. The corrected author affiliation details for this paper are shown below.

BAOSHAN LI¹, SHOUKE GENG² and YUANLI DA³

¹Department of Neurosurgery, The Third People's Hospital of Qingdao, Qingdao, Shandong 266041; ²Department of Neurosurgery, The Third People's Hospital of Pingdu City, Qingdao, Shandong 266753; ³Department of Neuro-Rehabilitation, The Third People's Hospital of Qingdao, Qingdao, Shandong 266041, P.R. China
