

CORRIGENDUM

DOI: 10.3892/etm.2022.11327

Long non-coding RNA HOTAIRM1-1 silencing in cartilage tissue induces osteoarthritis through microRNA-125b

WEN-BIN LIU, GUI-SHI LI, PENG SHEN, YA-NAN LI and FU-JIANG ZHANG

Exp Ther Med 22: 933, 2021; DOI: 10.3892/etm.2021.10365

Following the publication of the above paper, the authors wish to publish a Corrigendum to account for a necessary change in the authorship on the paper. Essentially, the second author, Qi-Jin Feng, requested that they be removed from the paper due to disagreements over the interpretation of certain of the experiments. All the authors agree to the indicated change of authorship on this paper, and agree with the publication of this corrigendum. Therefore, the revised authors' names on this paper, together with their affiliations, are as follows:

WEN-BIN LIU^{1*}, GUI-SHI LI², PENG SHEN³, YA-NAN LI⁴ and FU-JIANG ZHANG¹
