Protective effect of sonic hedgehog against oxidized low-density lipoprotein-induced endothelial apoptosis: Involvement of NF- κ B and Bcl-2 signaling

HUASHAN HUANG, HUIZHEN YU, LIANG LIN, JUNMING CHEN and PENG LI ZHU

Int J Mol Med 45: 1864-1874, 2020; DOI: 0.3892/ijmm.2020.4542

Following the publication of this article, the authors have realized that the affiliation for the first author, Huashan Huang, was presented incorrectly as a multiple affiliation: Because the student was under the supervision of Professor Pengli Zhu, the only affiliation that should have been presented in this paper for this author was for the first affiliation, i.e., Shengli Clinical Medical college of Fujian Medical University. Therefore, the author affiliations for this paper should have appeared as follows:

HUASHAN HUANG¹, HUIZHEN YU¹⁻³, LIANG LIN⁴, JUNMING CHEN^{1,2} and PENG LI ZHU^{1,2}

¹Shengli Clinical Medical College of Fujian Medical University; ²Key Laboratory of Geriatrics, Fujian Provincial Hospital, Fuzhou, Fujian 350001; Departments of ³Cardiology and ⁴Gynecology and Obstetrics, Fujian Provincial Hospital South Branch, Fuzhou, Fujian 350028, P.R. China

The authors regret that this was not corrected prior to the publication of the paper, and apologize to the readership for any inconvenience caused.
