**Pituitary sex hormones enhance the pro-metastatic potential of human lung cancer cells by downregulating the intracellular expression of heme oxygenase-1**

AHMED ABDELBASET-ISMAIL, DANIEL PEDZIWIATR, GABRIELA SCHNEIDER, JACEK NIKLINSKI, RADOSLAW CHARKIEWICZ, MARCIN MONIUSZKO, MAGDA KUCIA and MARIUSZ Z. RATAJCZAK

Int J Oncol 50: 317-328, 2017; DOI: 10.3892/ijo.2016.3787

After the publication of the article, the authors realize that they overlooked stating that the author Magda Kucia was the recipient of an OPUS grant (grant no. UMO-2016/21/B/NZ4/00201). Therefore, the Acknowledgements section of the paper should have read as follows (the added text is highlighted in bold): “This study was supported by NIH grants 2R01 DK074720 and R01HL112788, the Stella and Henry Endowment, and NCN Harmonia grant UMO-2014/14/M/NZ3/00475 to M.Z.R., **and OPUS grant UMO-2016/21/B/NZ4/00201 to M.K.**”

The authors regret their oversight in failing to include this information in the Acknowledgements section of their paper.
