Glucose transporter 3 performs a critical role in mTOR-mediated oncogenic glycolysis and tumorigenesis

YANBIN ZHANG, CAN WEI, JUNHUA XI, ZHIGUO TANG and CHAOZHAO LIANG

Oncol Lett 9: 2809-2814, 2015; DOI: 10.3892/ol.2015.3075

All the authors agree to the withdrawal of this manuscript. The manuscript was submitted to Oncology Letters by the first author, Yanbin Zhang, without the prior consent of the co-authors. The corresponding author, Dr Chaozhao Liang, did not participate in the submission process. As a result, all authors unanimously agreed that the article should be withdrawn.
