We would like to retract our article entitled ‘The link between FOXJ1 expression level in bladder carcinoma and tumor recurrence’ published in Oncology Letters 15: 1483-1486, 2018. After careful consideration, we are concerned that some of our reported conclusions in this paper may be too preliminary, and recognize the need to perform further studies. All the authors agree to this retraction. We sincerely apologize for any inconvenience that might result from the retraction of this article.
