Oncol Lett 19: 771-776, 2020; DOI: 10.3892/ol.2019.11144

Following the publication of this article, the authors have contacted the Editor to request its retraction on account of having been unable to reproduce the same results on performing a further series of experiments.

The Editor has agreed to the authors' request, and therefore this article has been retracted from *Oncology Letters*. All the authors agree to this retraction. The authors apologize to the readership of the Journal for any inconvenience caused.
