Subsequently to the publication of the above paper, the authors have realized that they should have credited a Professor René Csuk [Martin-Luther-Universität Halle-Wittenberg, Halle (Saale), Germany] for the use of a compound that his group synthesized in the study. Therefore, the authors wish to include the following text in the Acknowledgements' section of the Declarations: 'The authors are grateful to Professor Rene Csuk, Department of Organic Chemistry, Martin-Luther University Halle-Wittenberg, for providing us with the rhodamine B-conjugated oleanolic acid derivative (RhodOA)'. All the named authors agree to this Corrigendum, and apologize to Professor Csuk for the upset and inconvenience caused.
